ITSPA3008 Rev 1.1

Quick guide

EN: This guide is not a full installer's and user's manual. Please read the entire manual before installing or using the product. A licensed electrician/installer must complete installation per local electrical codes and regulations.

LT: Šis vadovas nėra išsamus montuotojo ir vartotojo vadovas. Prieš montuodami arba naudodami gaminį, perskaitykite visą vadovą. Licencijuotas elektrikas/instaliuotojas turi atlikti montavimą pagal vietinius elektros įrenginių įrengimo reikalavimus ir taisykles.

DE: Diese Anleitung ist kein vollständiges Installations- und Benutzerhandbuch. Bitte lesen Sie das gesamte Handbuch, bevor Sie das Produkt installieren oder verwenden. Die Installation muss von einem zugelassenen Elektriker/Installateur gemäß den örtlichen Elektrovorschriften und -bestimmungen durchgeführt werden.

SE: Denna guide är inte en fullständig installations- och användarmanual. Läs hela manualen innan du installerar eller använder produkten. En licensierad elektriker/installatör måste slutföra installationen enligt lokala elföreskrifter och föreskrifter.

FR: Ce guide n'est pas un manuel d'installation et d'utilisation complet. Veuillez lire l'intégralité du manuel avant d'installer ou d'utiliser le produit. Un électricien/installateur agréé doit effectuer l'installation conformément aux codes et réglementations électriques locaux.

IT: Questa guida non è un manuale completo per l'installatore e l'utente. Si prega di leggere l'intero manuale prima di installare o utilizzare il prodotto. Un elettricista/installatore autorizzato deve completare l'installazione secondo i codici e le normative elettriche locali.

NO: Denne veiledningen er ikke en fullstendig installasjons- og brukermanual. Les hele håndboken før du installerer eller bruker produktet. En autorisert elektriker/installatør må fullføre installasjonen i henhold til lokale elektriske forskrifter og forskrifter.

EST: See juhend ei ole täielik installi- ja kasutusjuhend. Enne toote paigaldamist või kasutamist lugege palun kogu kasutusjuhend läbi. Litsentsiga elektrik/paigaldaja peab paigalduse lõpule viima vastavalt kohalikele elektrireeglitele ja eeskirjadele.

FI: Tämä opas ei ole täydellinen asennus- ja käyttöopas. Lue koko käyttöohje ennen tuotteen asentamista tai käyttöä. Valtuutetun sähköasentajan/asentajan on suoritettava asennus paikallisten sähkömääräysten ja määräysten mukaisesti.

IRL: Ní lámhleabhar iomlán suiteálaí agus úsáideora é an treoir seo. Léigh an lámhleabhar iomlán le do thoil roimh an táirge a shuiteáil nó a úsáid. Ní mór do leictreoir/suiteálaí ceadúnaithe an tsuiteáil a chríochnú de réir córas agus rialacháin áitiúla leictreachais.

GR: Αυτός ο οδηγός δεν είναι ένα πλήρες εγχειρίδιο εγκατάστασης και χρήστη. Διαβάστε ολόκληρο το εγχειρίδιο πριν εγκαταστήσετε ή χρησιμοποιήσετε το προϊόν. Ένας αδειούχος ηλεκτρολόγος/εγκαταστάτης πρέπει να ολοκληρώσει την εγκατάσταση σύμφωνα με τους τοπικούς ηλεκτρικούς κώδικες και κανονισμούς.

PT: Este guia não é um manual de instalação e de utilização completo. Leia todo o manual antes de instalar ou utilizar o produto. Um eletricista/instalador licenciado deve completar a instalação de acordo com os códigos e regulamentos elétricos locais.

LV: Šī rokasgrāmata nav pilna uzstādītāja un lietotāja rokasgrāmata. Pirms produkta uzstādīšanas vai lietošanas, lūdzu, izlasiet visu rokasgrāmatu. Licencētam elektriķim/uzstādītājam ir jāveic uzstādīšana saskaņā ar vietējiem elektriskajiem kodeksiem un noteikumiem.

ES: Esta guía no es un manual completo para el usuario y el instalador. Lea el manual completo antes de instalar o usar el producto. Un electricista o instalador autorizado debe realizar la instalación de acuerdo con los códigos y las normas eléctricas locales.

PL: Niniejszy przewodnik nie jest pe ną instrukcją instalatora i użytkownika. Przed zainstalowaniem lub użyciem produktu należy przeczytać ca ą instrukcję. Instalację musi wykonać uprawniony elektryk/instalator zgodnie z lokalnymi przepisami i regulacjami dotyczącymi elektryczności.

CZ: Tato příručka není úplným instalačním a uživatelským manuálem. Před instalací nebo použitím produktu si přečtěte celý návod. Instalaci musí dokončit licencovaný elektrikář/instalatér v souladu s místními elektrickými předpisy a předpisy.

DK: Denne vejledning er ikke en komplet installations- og brugermanual. Læs venligst hele manualen før du installerer eller bruger produktet. En autoriseret elektriker/installatør skal udføre installationen i henhold til lokale elektriske regler og regulativer.

NL: Deze handleiding is geen volledige installatie- en gebruikershandleiding. Lees de volledige handleiding voordat u het product installeert of gebruikt. Een erkende elektricien/installateur moet de installatie voltooien volgens de lokale elektrische codes en voorschriften.

HU: Ez az útmutató nem teljes körű telepítői és felhasználói kézikönyv. Kérjük, olvassa el a teljes kézikönyvet a termék telepítése vagy használata előtt. Egy engedéllyel rendelkező villanyszerelőnek/szerelőnek kell elvégeznie a telepítést a helyi elektromos előírások és előírások szerint.

RO: Acest ghid nu este un manual complet al instalatorului și al utilizatorului. Vă rugăm să citiți întregul manual înainte de a instala sau utiliza produsul. Un electrician/instalator autorizat trebuie să finalizeze instalarea conform codurilor și reglementărilor electrice locale.

SK: Táto príručka nie je úplnou inštalačnou a používateľskou príručkou. Pred inštaláciou alebo použitím produktu si prečítajte celý návod. Licencovaný elektrikár/inštalatér musí vykonať inštaláciu podľa miestnych elektrických predpisov a predpisov.

SL: Ta priročnik ni popoln priročnik za namestitev in uporabo. Pred namestitvijo ali uporabo izdelka preberite celoten priročnik. Pooblaščeni električar/inštalater mora dokončati namestitev v skladu z lokalnimi električnimi kodeksi in predpisi.

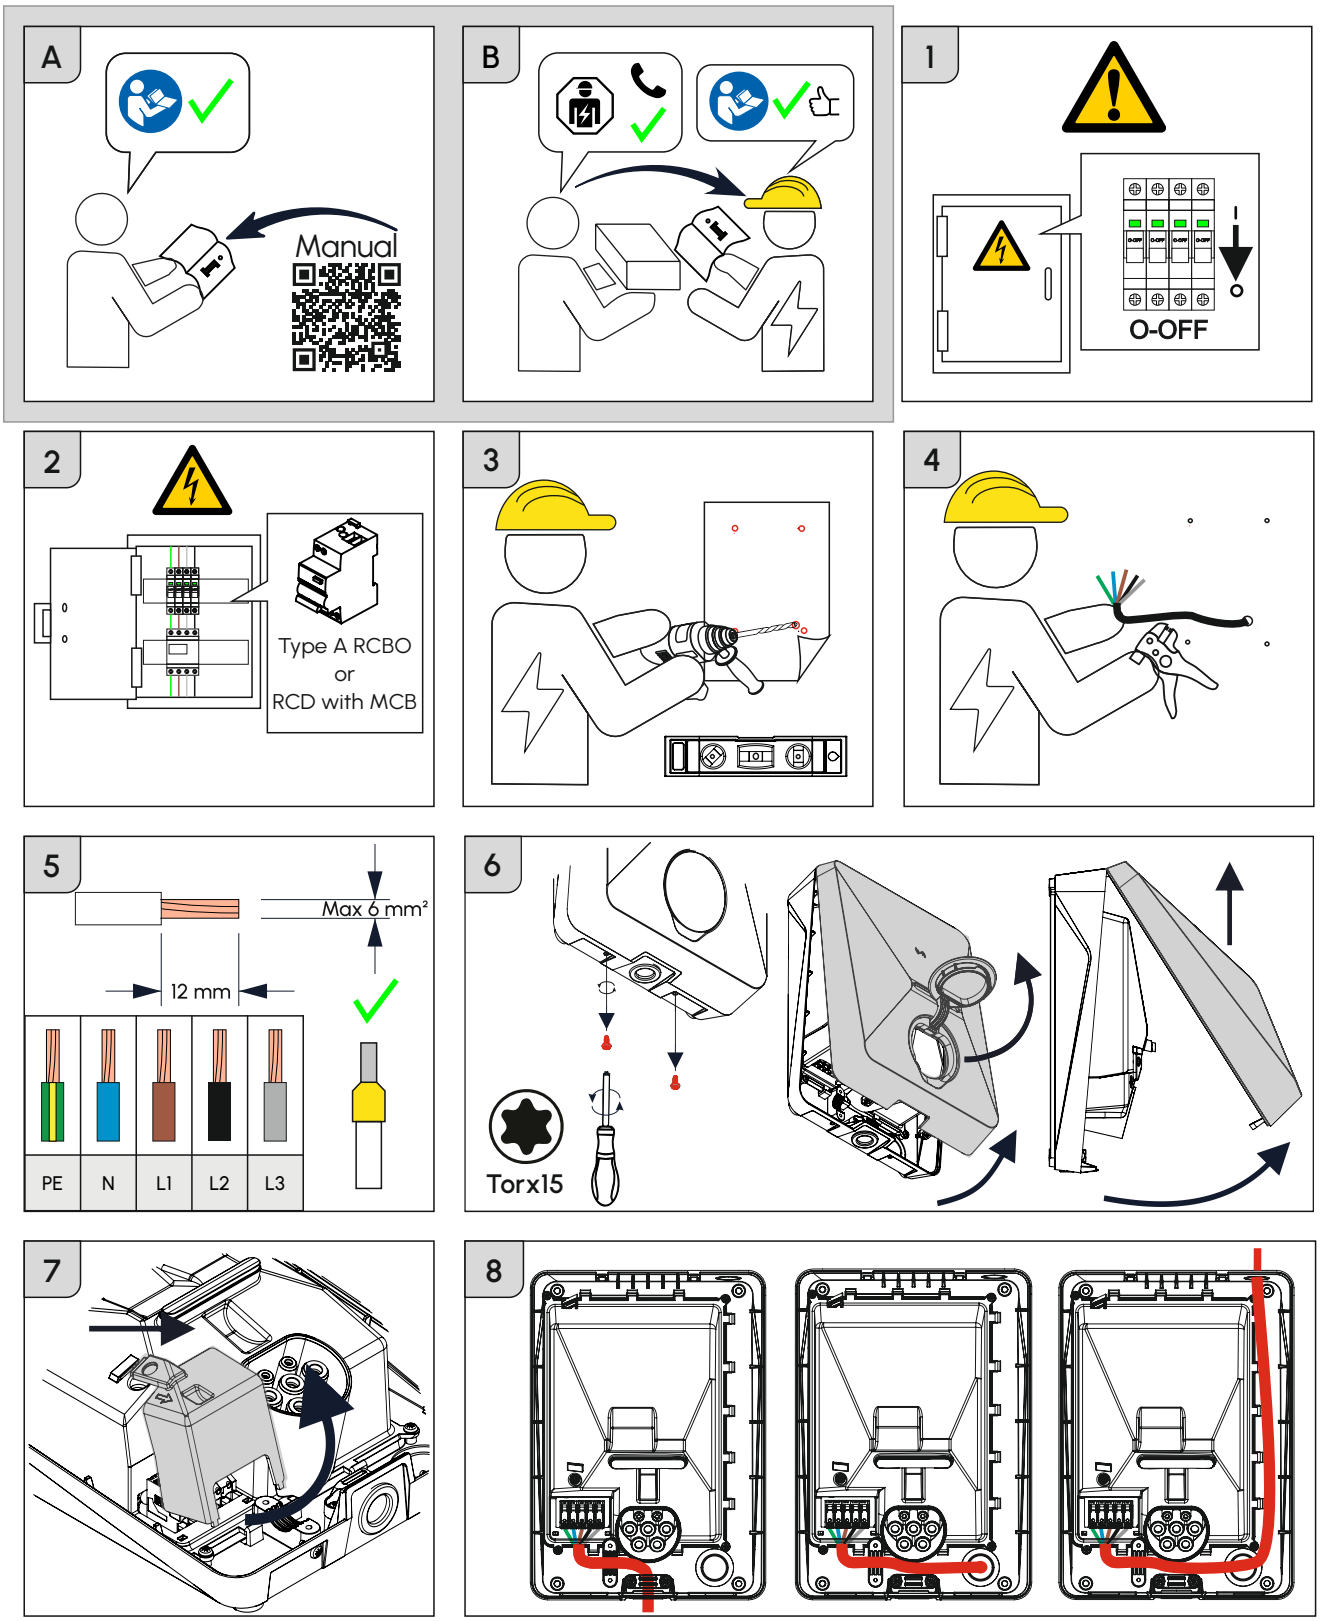

HR: Ovaj vodič nije potpuni priručnik za instalaciju i upotrebu. Prije instaliranja ili korištenja proizvoda pročitajte cijeli priručnik. Ovlašteni električar/instalater mora dovršiti instalaciju prema lokalnim električnim kodovima i propisima.

BG: Това ръководство не е пълно ръководство за инсталиране и потребител. Моля, прочетете цялото ръководство, преди да инсталирате или използвате продукта. Лицензиран електротехник/инсталатор трябва да извърши монтажа според местните електрически кодекси и разпоредби.
